

Finding Your Place at Asbury UMC Through Servanthood

"...serve one another in love. The entire law is summed up in a single command: 'Love your neighbor as yourself.'"

~Galatians 5:13-14

A COMMUNITY OF VOLUNTEERS

When we join the church we make a commitment that we will support the church with our prayers, attendance, gifts, and service.

Through the years, as we fulfill this commitment, we are enabled to do God's work and see the church's mission accomplished in the world.

This booklet has to do with our commitment to serve in God's Church. It is on a foundation of Volunteer Ministries that the church and its programs rest. We are a Community of Volunteers.

Our volunteer needs are described in this booklet. The needs are so great and the challenges so many that we are confident you can find ways to be of greatest service in areas that will be fulfilling to you personally. As you peruse this booklet, we hope you will notice that there are opportunities for involvement from children to older adults, for business persons, for homebound members, for college students, for persons with limited time as well as those with an abundance of time to give, for groups as well as individuals. There is a place of service for everyone. We invite you to carefully read each of these descriptions. Then, using the Commitment Card, let the church know where you are willing to serve.

Be prepared to know the great joy that comes from serving God in God's Church. Your commitment, along with that of many others, will insure that Asbury United Methodist Church is vital in today's world as we strive to serve Jesus Christ.

HOW TO USE THIS BOOKLET

In this booklet we have detailed many opportunities for service available at Asbury United Methodist Church. The ways in which you may wish to contribute and times this can be done are identified throughout this booklet and outlined in our Table of Contents.

On the following page is a Table of Contents listing the various areas of ministry within and beyond the church. Take a few minutes to look through the list. Pray that God's Spirit would lead you to a ministry or ministries that would help you make disciples for Jesus Christ. Remember all these ministries build upon one another! Once some have been laid on your heart, read about them.

Because this is to be but a guide to your selection, more information may be desired about projects of specific interest. The Church Administrator or Lay Mobilization Coordinator will gladly provide you with the names of volunteers and staff working within these areas.

When you are ready to volunteer your talents, indicate your choices by checking on the pledge card for as many areas as you would like to be involved. You will be contacted after all information has been organized and the jobs are ready for your help.

We thank you for your study of this booklet and for your commitment as a member in Christ's service.
